PROLUX
PORCELAIN PANELS

Mediterranean Cream 4-panel tub surround system

Each design in our **ProLux** shower wall collection is **thoughtfully selected** to reflect **timeless style** and **modern appeal**. Featuring a curated selection of **natural stone-inspired styles**—from soft to bold—there's a design to suit every space. **Create a unified look** with matching panels **or mix styles** to craft a standout feature wall with added **dimension and personality**.

FAST INSTALLATION

Prefabricated panels significantly reduce labor time and minimize downtime between unit turns.

COST-EFFECTIVE

Lower material and labor costs compared to tile, with long-term savings on maintenance.

DURABLE & LOW MAINTENANCE

Resistant to mold, mildew, and grout cracking—ideal for high-traffic properties.

MODERN, COHESIVE LOOKS

Delivers sleek, on-trend design that appeals to today's renters and buyers.
